What a beautiful day... great company and a great dinner! Many thanks to everyone who came this year – to help or play – and to all our sponsors! And many congratulations to our two team winners!

We so appreciate your participation and donations that enable us to provide grants for college students in medical crisis. And we certainly like to cheer our students who came up – thank you Julie, Nohemi and Jazzy!

Here are a few pictures you'll enjoy... if you would like the jpeg of your team picture, just email us at theorionfund@gmail.com.

See you next year! The Board of Directors, The Orion Fund
