The Orion Fund Golf Tournament 2022 Newsletter

The Priem
Family
Foundation

What an incredible tournament this year! Many thanks to all our golfers and to all our sponsors! We so appreciate your participation and donations that enable us to provide grants for college students in medical crisis.

Great golf out on the course and a beautiful day! Did everyone like the handicap system? How about the BBQ and tents?!? And trophies to take home, and all things golf at the Silent Auction. And a big thank you to Patrick and Joe for all the help with the tents! *You all rock!*

See you next year – Saturday October 28th!
