

Grants for college students in health crisis June 2023

Dear Sponsors,

It's that time of year... **The Orion Fund Golf Tournament** is coming up! The tournament will be held at **The Chardonnay Golf Club** in Napa Valley on **Saturday, October 28, 2023**. We would love to see you at the tournament and hope to have you back as a hole sponsor! More information about the golf tournament and sponsor benefits is in this package and on our website: www.theorionfund.org.

In 2023 the Orion Fund, once again, was the safety net for students facing a myriad of medical crises. Whether dealing with brain cancer, severe epilepsy, or serious mental health crisis, The Orion Fund was there to help. This year we awarded 44 grants totaling \$80,125 to students attending UC, Cal State and community colleges. These grants were used to cover unpaid medical costs, living and educational expenses.

And once again we will be in the position to make contributions go even farther! The Priem Family Foundation has supported us with a \$25,000 matching grant for the last five years, making a significant difference in how we can help students. This matching grant is available again this year. If you have suggestions as to private or corporate organizations that would be interested in this opportunity, please let us know and we will follow up. Indeed, it is the golf tournament (yay sponsors!) and this matching grant that support college students in need.

We've had nineteen years of making a difference in the lives of young people; with your support we can continue to be a safety net so that these deserving students can complete their educational goals. Thank you always for your support!

Sincerely,
The Board of Directors
